

# Labels for 35cl bottles - Printing instructions

 = Not available for print

**35cl**  
**Bordsvatten**  
 Tappat från Kivistö källa.  
**Ingredienser:**  
 Vatten

**Texts for still water**

**35cl**  
**Bordsvatten**  
 Tappat från Kivistö källa.  
 Lätt kolsyrat vatten.  
**Ingredienser:**  
 Vatten, koldioxid

**Texts for sparkling water**

## Instructions

- Your original should cover the area 50,5 x 140,0 mm.
- We will add utility print (bar code etc.) at left and right side.
- Utility print requires 1 printing plate (black).
- For full 4-colour print (CMYK) total 4 printing plates will be required.
- Images should be CMYK and min. 300 dpi.
- Labels are plastic with base in silver white or transparent.
- For transparent base, white bottom print is recommended (i.e. 1 extra printing plate).

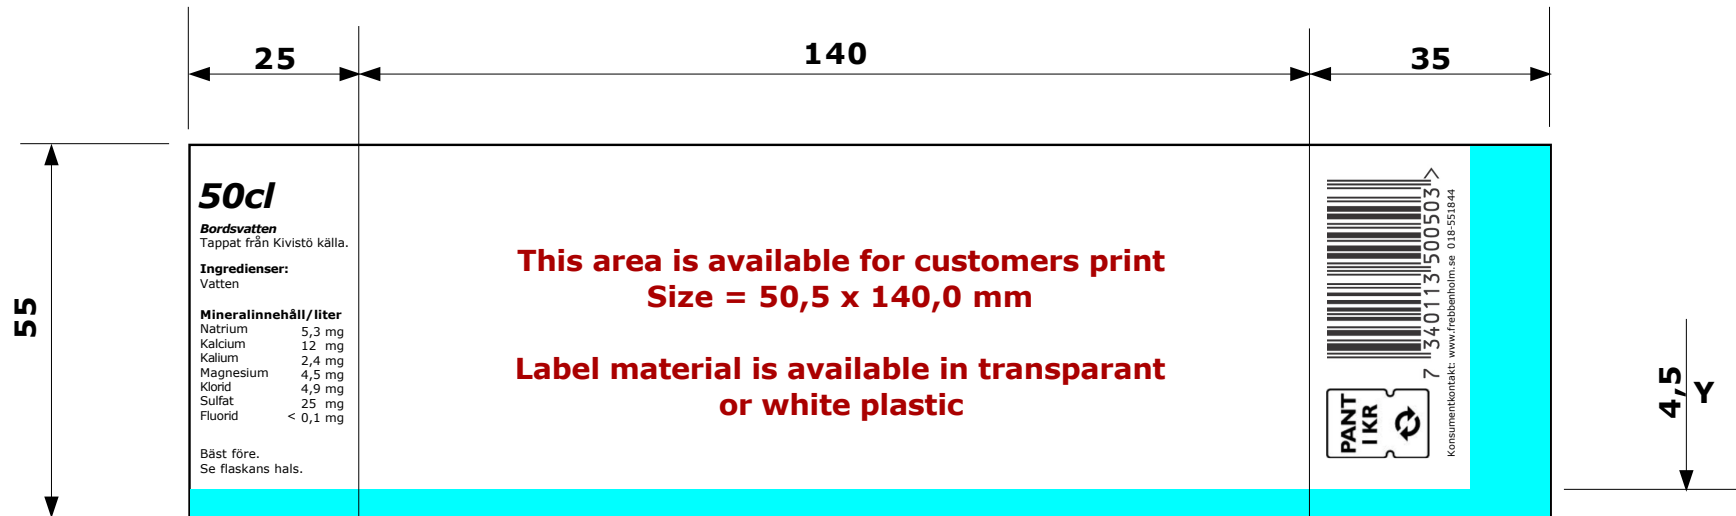

## Final artwork

Before we print, we will send you an artwork for approval.

**These instructions are for direct factory delivery only. For delivery from Uppsala or Espoo stocks, see separate label instructions.**
